## Questions for Reflection

As instructed, the followers of Jesus return to Jerusalem and await what has been promised to them. They have been commissioned with a difficult task, possible only with the active power of God with them. It is with the coming of the Holy Spirit that this power is given to his people.

1. What distinguishes a Christian fellowship from social gatherings?
2. What priorities are seen in the life of the early church? How are these priorities reflected in how we do church today? Which priorities are we lacking or neglecting?
3. How have you seen or experienced the generosity of Christian community?
4. Are you on the look out for chances to share Jesus?
