Reflection and Application Questions

- How do you decide what's right and wrong/good and evil? Who gets the final say?
- How does God's instructions to work and keep the garden help us to understand our relationship with work today?
- How does this passage challenge some common views about men and women today?

Prayer

- Praise and thank God for our church, and the fellowship and community we enjoy. Pray for our small group ministries as they start up for 2024, that they would be places of prayer, learning, accountability, and encouragement.
- Thank God for the great blessing of families and children, and ask that we would support them in raising their kids in the love and knowledge of Jesus.
